HARD AT WORK

Thanks to TAILENDS, I got into trouble with one of the secretaries at work. I picked up the October issue at lunch time and looked at it in the park. Maggie really turned me on, and I guess I was still thinking about her when I went back to work. One of the girls in the office is a blonde, with short straight hair and bangs like Maggie. I was doing a little dirty daydreaming and not realizing I was staring at her. She caught me looking at her and really faced into me. All I could think was, it was a good thing she couldn't see the bulge my hard-on made in my pants!

I see you're starting up a personals column in the magazine. It's about time! I can't wait to see how it works out.

ASSES WITH ATTITUDE

After I made a comment about some girl's ass to a friend, he recommended I buy a copy of TAILENDS. "Great ass shots," he said. I picked up the October issue when I happened to see it at a newsstand, and I'm glad I did.

In my opinion, the female ass is the sexiest body part there is. And there are so many outstanding hunk-

sides in your magazine, I can't decide which one I like best. I think the best photo in the issue is the one on page 51. I like the way one model's ass cheek hangs down over the stool she's sitting on. It's not a particularly lewd shot, kind of tame actually. All the same, it's very erotic.

I'm a new customer, and I'll also be recommending TAILENDS to everyone.

CREAM A LA TUSH

I hope you print my letter, and I hope the guy who sent in the first photo which appears in the October issue's amateur contest section sees it. I want to thank him for giving me a great idea that led to fantastic sex with my girlfriend.

He said his favorite diversion is spraying whip cream on his girl's ass. Pretending it's cum, he then licks it off. I tried that with my girlfriend and it made her so hot, she begged me to fuck her from behind. Licking her ass made me so stiff that she thought it was somebody else's cock in her cunt.

My girl has a fantastic ass. Her ass cheeks are very round, and when she bends low and sticks her butt out,

her plump pussy shows between the curves of those firm cheeks. When I was licking up the cream, I licked lower and lower, until the cream I was licking wasn't the stuff from the can. I think I could have made her cum that way, but she wanted my cock so bad, I couldn't deny her!

LEZZIE BUNS

Why is it that the best-looking girls in the magazine are always the ones in the layouts of two girls together? The two swapping tongue and rubbing tits on page 40 in the October TAILENDS are a perfect example. They also have the most perfect asses in the magazine, too.

I like a girl with a large, smooth ass. I love to run my hands over a big ass and feel the muscles flex under my fingers. Some girls know how to twitch their buns in a way that would make any man jump cartwheels for her. I, myself, would crawl on my knees to kiss such an ass.

SHAKE THAT BOOTY

I meet all kinds of girls at clubs, but I've never met one like Jennie (October 1994). I'm attracted to girls who are a little different, which Jennie seems to be, at least judging from the crazy way she's dressed. Seeing her tail sticking out of her skirt like that is a bigger turn-on than looking at a completely naked ass.

I've been buying the magazine for years now, and TAILENDS is consistently of good quality, with excellent photography. Readers write in and say you should do this or that, but I say, if it ain't broke, don't fix it! I like the magazine exactly the way it is!

RUMP FLASHER

My husband is always telling me he's crazy about my ass. He's always grabbing my bottom, and he doesn't care who sees. I know it drives him wild when other men admire me, and instead of getting him jealous, it turns him on.

Every once in a while I'll go out without any panties on and not mention it until we're in a crowd, or in some public place where he can't check to see if I'm telling the truth or not. Then he'll think about my bare ass under my dress and look forward to what's going to happen when we get home. I'll bump against him to remind him what a hot piece I am and generally torment him with innuendoes and sly winks or licks of my lips.

It was my husband's idea that I "accidentally" flash strangers. Only when he's with me, that is. I was nervous the first time, but very excited. My skin prickled all over as I approached the first unsuspecting guy in a phone booth. I went into the phone booth next to him and dropped my coin. When I bent down to pick it up, my short skirt rode up my ass and exposed my bare cheeks to the guy. Then I dialed the weather and turned around to face him. Boy, did he turn red! My pussy was so wet, I grabbed my husband and pulled him into a doorway so I could rub myself off against his crotch.

We just renewed our subscription to TAILENDS. My husband and I like to look at it together.

HORNY HUMPERS

I don't know if it had anything to do with my reading TAILENDS before bedtime, but I had an extremely exciting dream that gave me a hard-on. I wasn't sure if I was still dreaming or not when I woke up and found myself rubbing my dick

against my wife's ass cheeks. Her ass felt very hot and when I realized what I was doing, I couldn't stop.

I reached around to feel her tits and was surprised that her nipples were erect. I played with them as I continued to hump against her ass cheeks. I can't explain it, but it felt so good, so sudden, and I couldn't believe how out of control I was. I knew I wasn't going to stop until I exploded.

I didn't think it would be right to shoot all over my wife's ass while she slept, so I turned over on my

back at that crucial moment and shot my load on my stomach. I felt somewhat ashamed and was reaching for the box of tissues on the night table when my wife sat up in bed and turned on the lamp. "Why did you pull away? I was just about to cum," she said.

Then my wife looked at the puddle of sperm on my belly and stopped me from wiping it up. Instead, she licked up the cum, making a big production out of tasting and swallowing each mouthful. And damn if that didn't get me up

again. We fucked like honeymooners after that!

A couple of nights later, I woke up to find my wife's arm over me and her hand wrapped around my still sleeping dick. She was hanging her pussy against my ass. Of course, I didn't stop her. She jerked me off and I came when she convulsed in orgasm against me. Her comment later was, "What? You think only men can appreciate a hot pair of buns?"

BLONDE BUNGHOLES

PAULA

"Ooh, hearing that camera click really turns me on," Paula murmurs, turning her head to flash the photographer a naughty wink. She's the kind of gal who loves showing off her assets, and she keeps her hot bottom bare when she's home.

"Maybe, some lucky, horny guy will look in at just the right time," she giggles. "If he's well-hung and aggressive enough to introduce himself, then I'll be the one who's lucky!"

RAVEN ASSES

BONNIE

Most women love having their ass cheeks caressed, but Bonnie's bountiful buns are super-sensitive. "When I'm alone, I rub my ass as well as my pussy," this luscious lady unashamedly admits. "Of course, I prefer a man's hand to my own."

Doggy-style is her favorite position. "Feeling a guy's stomach and balls on my cheeks really heats up my orgasm," she declares.

"We also love to share a guy," Ann declares. "We'll get on all fours, side by side, and our man will take turns fucking our pussies."

Gina adds, "After he cums, we get him hard again by letting him watch us sixty-nine!"

THE EDITORS

Dear TAILENDS:

Here's my "hole story." When I told my boyfriend to photograph my rear for your magazine, he said, "Why not give them the best of both ends? I mean, your ends are the best!"

Well, I'd bend over backwards for a compliment like that, but as you can see here, I just bent forward!

Hope you like my photo enough to print it.

BEHINDS IN THE WORLD!

Dear TAILENDS:

That's me, going bare down there. Do I always keep my sheets on when I'm in bed? Only when I just can't wait for the kind of doggy-style fucking my boyfriend gives me!

Karen
Ohio

Dear TAILENDS:

For an ass-man like me, it's the bigger the better. This is my girlfriend, Julie. Her cheeks are the biggest I've ever come across, and they make a nice, soft flesh pillow for my stomach when I'm fucking her cunt from the rear. If she was sitting down, you wouldn't be able to see the seat of that chair!

Frank
Michigan

Dear TAILENDS:

Please, please print this photo of my red-hot rump. I love having guys look at my ass, and if this photo gets in your magazine, I'll have thousands of eyes on my bums. You can just imagine what happens when I appear on the beach in a string bikini!

Alice
Rhode Island

Dear TAILENDS:

I'm red, I'm spread, and I'm ready to screw! I met this guy who was taking pictures of old buildings, and I told him I had much better material for his comero. We went up to my place, and after he took a few shots, his hands were trembling. Well, he couldn't take pictures anymore, so we did something else—guess what!

Barbara
Maine

Dear TAILENDS:

My boyfriend took this shot while we were getting ready for one of our all-night sex sessions. He sort of sneaked up on me with his camera, and I gave him a dirty look. Then he showed me a copy of TAILENDS. One look at your amateur section made me hot as anything to have my ass there, so please print this picture.

Lydia
Nebraska

Dear TAILENDS:

I'll challenge anyone in my town to find a rump as hot as my girlfriend's, revealed here in all its glory for your ass-minded readers. Just touching her buns is enough to make my dick stiff, and she's so sensitive there that her pussy gets wet the instant I lay my hot hands on her luscious cheeks.

Fred
Oklahoma

Dear TAILENDS:

Side by side and from the rear is my favorite way to take a prick in my snoot. My boyfriend says it's his favorite, too, but I know damn well he'll fuck me any way I want—one look at my soft, sensuous cheeks will make any man my plaything!

Olga
Vermont

Dear TAILENDS:

I hate wearing clothes when I'm home, much to my husband's delight. We only screw each other, but he said there's no point in my keeping splendid rump from the world. Sending in this picture of me is his way of letting other guys know what they're missing.

Wendy
Texas

Dear TAILENDS:

Since I live in the country, I have all the privacy I need to run around in my back yard with no pants on. I love to play peek-a-boo with my cheeks, and if there was a beach anywhere near where I am, you know I'd be wearing the skimpiest bikini!

Annette
Konsos

Dear TAILENDS:

Ms. Brains And Beauty here wants to be a scientist, not a model. She can make the grade in either profession! I tried to tell her that it would be a shame to hide her beauty from the world, but she still said she wanted to spend her time studying and not posing. So, we hit on the perfect compromise—a shot for your magazine!
